ASIS: From the Show Floor

## Sneak Preview: Stanley Security Solutions

---

Last updated: September 29th, 2004

### **SIW Editorial Staff**

Stanley, a name you're undoubtedly familiar with in terms of tools, will be announcing the formation of Stanley Security Solutions on Wednesday, Sept. 29, 2004 at ASIS.

The new company will provide access and security solutions in a direct-to-end user strategy, according to advance news provided by the company. The new Stanley Security Solutions group will feature nine operating divisions, including Best Access Systems, Blick, C.J. Rush Industries, Frisco Bay, Integrator.com, Intivid Solutions, Senior Technologies, Stanley Access Technologies and Stanley Hardware.

To learn more about this new company, visit booth 1509 where the company is displaying its integrated products and services live on the ASIS show floor.
