

## Frequently Asked Questions

## HD7000 SERIES:

### HEAVY DUTY DOOR CLOSER

**Q: What is the BEST HD7000?**

**A:** The new BEST HD7000 is an institutional Grade 1 surface door closer.

**Q: What arms are offered for the BEST HD7000?**

**A:** The HD7000 is available in upwards of 30 unique arm options for virtually any application.

**Q: What is a typical application for the BEST HD7000?**

**A:** The HD7000 is ideal for high-traffic, heavy-duty institutional environments, such as schools or hospitals.

**Q: Do you have to specify handing when ordering the HD7000?**

**A:** The HD7000 is non-handed and can be regular or top jamb on both Right-hand and Left-hand doors for both push and pull side mounting.

**Q: In what finishes is the HD7000 available?**

**A:** The HD7000 comes in a variety of plated and painted finishes. Designer color matched or Custom color (RAL) finishes are also available.

**Q: What is the warranty on the HD7000?**

**A:** All BEST surface closers carry a 30-year limited warranty.

**Q: What is the spring power capability on the HD7000?**

**A:** The HD7016 is adjustable from Sizes 1-6. When adjusted to Size 1 (5 lb opening force), the HD7016 meets interior barrier-free ADA requirements.

**Q: What covers are available for the HD7000?**

**A:** The HD7000 comes standard with a full plastic cover. Painted slim plastic covers are optional. A metal or lead-lined cover is available in a variety of painted and plated finishes.
